

## **St Thomas Minor Ball Association (STMBA)**

### **Playing Up Policy – St Thomas Minor Baseball Rep and Select Teams**

---

STMBA adheres to a no play up policy. Requests will not be considered for playing at an advanced age division for any players.

STMBA will only consider allowing players to advance one division older if it serves the greater interests of STMBA for such things as allowing a team of mixed aged players to form where a team may not have otherwise formed. Players advancing to this team will only remain with the team for that season and will return to the appropriate age division in the next baseball season.
